

Reading comprehension

15 Traffic lights

There are three lights on a traffic light.

There are green, orange and red lights.

Green light means 'go' and red light means 'stop'.

Orange light comes on when the light changes from green to red.

The orange light means 'slow down'.

When you are driving, you have to follow these rules!

Questions.

1. What is this story about?
2. Which light means you can go?
3. What does the red light mean?
