

TOPIC 1: TALK ABOUT YOURSELF

My name is Jenny and I am 10 years old. The next birthday, I will be 11 years old. My birthday is on November 3rd. It is an important day with me. Now, I am in grade 5. I live in Valley Town and study at Sunny Primary school. My hobbies are listening to music, watching television, learning English and chatting with my friends. At school I am good at English and Maths. I don't like Art because it's very difficult with me. In the future, I want to be a doctor. In that way, I can help a lot of people. I know that it is very difficult but I always try to do it.

TOPIC 2: TALK ABOUT YOUR FAMILY

My family is small. My family consists of four members. They are my parents, my sister and I. My father is a doctor. My mother is a teacher. My sister is elder than me. She studies in the eighth grade I'm in the fourth grade. Both of us attend the same school. My father has a car. Every morning he drops us at school.

After school, we come home by bus. My father is a jolly person. In the evenings he tells us many fresh and new stories. He also helps us in our studies.

My mother is a hard working woman. After coming home from school she has much work to do. She bathes us and prepares our food. She also participates in social activities. Therefore she is popular among women.

Women always come to get her advice and is often seen with them.

My father comes home late. He attends to many patients and has no time to go out.

I love my family very much.

TOPIC 3: TALK ABOUT YOUR FATHER

My father's name is David. He is thirty-four years old. He is an architect and runs his own company. He makes sketches of big buildings. He is a very hardworking man. He goes to his office at eight thirty in the morning and returns home at seven in the evening.

On weekends, he takes us out for picnic and movies. He plays different games with me and also helps me with my homework.

He is a good sportsman. On Sunday he plays tennis with his friends and also teaches me how to play the game. He goes jogging every morning and takes me along with him on weekends.

He is very kind and honest person. He believes in discipline. He listens to my problems very patiently and helps me to solve them. He helps my mother with household chores.

I love him a lot, and he is my greatest strength.

TOPIC 4: TALK ABOUT YOUR MOTHER

My mother's name is Maria. She is thirty-four years old. She is a teacher at Sunflower primary school. She teaches English. She is a very hardworking woman. She goes to her school at seven thirty in the morning and returns home at four thirty in the afternoon.

On weekends, She takes us out for picnic and movies. She plays different games with me and also helps me with my homework.

She is a good teacher. On Sunday she plays tennis with her friends and also teaches me how to play the game. She goes jogging every morning and takes me along with her on weekends.

She is very kind and honest person. She believes in discipline. She listens to my problems very patiently and helps me to solve them.

I love her a lot, and she is my greatest strength.

TOPIC 5: TALK ABOUT YOUR FAVORITE SPORT

Basketball is my favorite sport. I live in Highland Town, and basketball is one of among popular games in my country.

Basketball is played between two teams. Each team has five players. The points are scored by throwing the ball into the basket fixed at each end of the court. At the end, the team with more points will win the game. It can be played indoors as well as outdoors.

This game requires very tall players. Players should be fit, with strong arms and legs.

I am a good basketball player and enjoy playing this game very much. I join my school's basketball club. I also play the game with my friends in the neighborhood.

I love the game so much that I would like to play it for my country when I grow up.

TOPIC 6: TALK ABOUT YOUR DREAM

All of us having own dream when we grow up. I would like to be a pilot in the future. I want to fly a big airplane one day.

On my last birthday, my father gifted me a toy, that's a plane. I wish I could sit inside it and fly high up in the blue sky.

I love the big aircraft the airport. It really attracts me when I think of flying like a bird in the sky. As a pilot, I will be able to fly above the white clouds and travel around the world with different people.

I am studying hard to fulfill my dream of flying high among the stars.

With my father's help, I have made a big collection of different models of planes. Some of them are small, some are huge, and some have fans on their heads.

I would like my parents to be the first ones to fly with me when I become a pilot.

I am proud of my dream. I will fulfill my dream and become a pilot.

TOPIC 7: TALK ABOUT YOUR FIRST DAY IN SCHOOL

When I was at the age of 5, my mum admitted me to a school. I still remember that day. It was an interesting day for me. My mum woke me up early in the morning. After breakfast, I got dressed with school uniform.

My older sister also attended school and I was admitted to the same school. My father took me there by car. The school was full of boys and girls. When the school started my mum took me to the Principal's room. He admitted me to the first grade. After that, my mum said goodbye to the Principal and went away.

I was led to my class room. The teacher was very kind. She made me sit in the second row. She asked the other students to be kind to me. All of my friends were nice and friendly. In the recess, my sister took me to the canteen. She bought me an ice-cream. After that, I went to my class. An hour later the school bell rang. At 11.30 the school was over. My sister and I arrived home. My mother greeted us happily.

TOPIC 8: TALK ABOUT YOUR BEST FRIEND

I have a lot of friends. But I have only one best friend, Her name is Daisy. She is the same age with me.

We study in the same school and in the same class. She is clever at Maths and Music. She is one of the brightest students of our school. All of my classmates love her. My friend is intelligent, but she is not proud. She helps me in my studies. She is also my neighbor. We go to school by bus together.

She helps me in Maths lessons and in return, I help her in Science.

In the evening we play hide- and -seek at the school playground. We also play chess. It helps us to improve our mind.

Therefore I am very proud of my friend.

TOPIC 9: TALK ABOUT YOUR BIRTHDAY PARTY

It was my nine birthday party. My parents gifted me a big bike and arranged a big party for me. The house was decorated with many balloons. A special birthday cake was ordered for me. It was a chocolate cake, with juicy cherries on the top and a picture of monkey in the middle of the cake.

My grandparents came from Boston to attend my birthday party. All my friends were also invited. I was very happy to see them. They all brought gifts for me. My mother kept them carefully in my room.

We all wore nice party clothes. My friends blew on candles then I cut the cake. We were very happy together.

After cutting the cake, we played many games. My mother gave prizes to the winners. We then had our dinner.

After dinner, my parents gave gifts to all my friends. My father went to drop them back home. It was a lovely evening that I never forget.

TOPIC 10: TALK ABOUT YOUR DAILY ROUTINE

In the morning, I get up early. I then go and brush my teeth. I have a bath and dress up for school. I then eat breakfast with my parents. After the breakfast, I go to the bus stop to catch my school bus.

I go to school at eight in the morning and attend my classes. At midday, we have a recess. I eat my snack with my friends and play games with them. After recess I get back to my class. I return home at two p.m. and then take my lunch. After lunch, I take a nap and then finish my homework.

In the evening, I go to play with my friends. I come back home and finish my lessons. At eight o'clock we have dinner. After dinner my father tells me stories. I go to sleep at ten o'clock. Before going to sleep I brush my teeth and wish my parents 'goodnight'. This is my daily routine.
